

SILVERBURN
CARE HOME

Welcome to Silverburn Care Home

At Silverburn we offer a newly refurbished luxury care home providing nursing and dementia care of the highest standard.

We provide 24 hour nursing care as well as specialist care for people living with dementia and the related challenges.

Let our experienced, motivated care team provide you with the highest possible care in our recently upgraded facility that offers accommodation that far exceeds the national care standards allowing residents and families to enjoy their time at Silverburn.

Come and meet our Care Home Team who have a wealth of experience in care home management. They are committed to ensuring that our home has a relaxed and happy atmosphere. Our focus on delivering person centred care ensures that residents, families and staff enjoy living, visiting and caring for residents.

Silverburn offers three welcoming lounge/dining areas that allows residents to choose where they would like to spend time and enjoy nutritious meals that our chef and his creative team prepare.

All our rooms offer en-suite facilities with the residents choice of wet rooms, level entry shower trays or baths to ensure we maintain our principles of Privacy, Dignity and Choice.

We offer Wi-Fi coverage throughout all areas of the care home for both residents and families to enjoy, all rooms have telephone and satellite capability. And for those times when your abroad or can't quite make it to the home to see a loved one we offer a Skype and face-time service on request.

The home is located within walking distance to Silverburn Shopping Centre and many more local amenities.
